October 2016

**"Words from the Commodore"**  
Commodore – Ed Wohl

The clambake was a huge success! I hope you enjoyed it as much as I did. Thanks to everyone who helped with the event, and special thanks to John Krann for catering.

In October, there are a couple of events and other activities. On October 15, Blue Gavel's Big Boy Comedy Night is sure to be lots of fun, so RSVP to Reva soon. At the end of the month, we will have our annual Halloween party (details coming soon). Start thinking about what costume you want to wear.

Unfortunately, our boating season is just about over. It's time to take boats and other toys out of the water and store them for the winter. Please schedule your lift out with one of our operators, if needed.

Thanks again,  
Commodore Ed Wohl

Fleet Captain – Mike Zivcic

Well, it's that time of the year again where summer has ended and winter boat storage has started. As you make arrangements with the travel lift operators to remove and place your boat, let me just remind all of you that all small to medium size boats, on trailers, must be stored in the trailer lot after they are winterized. All boats need to be out of the water by the end of October. After your boat is out, your uprights, hand railing and bolts/washers need to be removed by you and put in the large shed. Please leave 2 bolts/washers in your side of the dock for dock removal purpose.

**REMINDER From the Treasurer**  
P/C Steve Paternite

It is time to start storing your boat for the winter. Invoices for winter storage will go out soon after your boat is stored on the grounds. Please make your payment promptly to avoid a late fee on your account. If you pull your own boat on a trailer, please send me an email or call me to let me know you have pulled your boat.

The 2017 budget will be available at the October meeting for members to pick up and review. The review and vote to approve the budget will occur at the November meeting.

If you disagree with any invoice, please make a prompt inquiry to the Treasurer or Board of Trustees. If you have any issues with completion of work hours, please contact the Board of Trustees for discussion in advance of your required completion deadline.

Remember: 50% of required work hours must be completed by last day of June and balance by last day of December.

Thank you for your cooperation.
