November 2017

"Words from the Commodore"
Commodore – Glenn Linke

Hello all

Hope everyone had a great boating season, and now it's time to close the harbor: all boats, uprights, and handrails must be removed by November 1st. There will be a work party with Fleet Captain Terry on November 4th to remove stanchions, which is the last opportunity for work hours. Everyone's help is needed on this project.

We had our 9th Annual Blue Gavel Comedy Night and it was a great success. I want to thank PC Don Connerton and Marion Connerton and all the PCS that helped, especially Tina, Joe and Brigitte. Don't forget, this weekend, Saturday the 28th is our Halloween party; please bring an appetizer to share. Start time is 7 p.m.

Reminder: the clubhouse will be closing November 1st for renovations. A possible meeting location for the upcoming months may be Trader Jacks or another venue. Please look for email to follow on dates and times and places for these meetings.

That's all for now.
Talk to you all soon.

REMINDER From the Treasurer
P/C Steve Paternite

If you have any issues with completion of work hours, please approach the board. Winter storage invoices have been sent out. Please make your winter storage payment promptly to avoid a late fee on your account. If you pull your own boat on a trailer, please send me an email or call me to let me know you are storing your boat at the club.

We will be discussing and voting on the 2018 budget at our November meeting along with voting for next year's bridge officers and trustees. It is important that members attend this meeting so we can get everyone's input. If you have any specific questions regarding the budget made available at last month's meeting, please let me know beforehand.

If you disagree with any invoice, please make a prompt inquiry to the Treasurer or board of Trustees for discussion in advance of your required completion deadline. 50% of required work hours must be completed by last day of June and balance by last day of December.

Thank you for your cooperation.
