April 2016

"Words from the Commodore"
Commodore – Ed Wohl

Many thanks to all of you who helped with Commodore's Ball. I hope everyone had as much fun as I did.

Now that spring has officially started, it is time to get the club ready for summer. On Saturday, April 9, we are having a grounds work party, so please join us. Also, as many of you have heard, there is an issue with the wall at the south end. More information about that will be coming soon as we investigate the situation and determine what needs to be done.

The next 5-club social will be at Mentor Lagoons on April 15. Other upcoming events at our club are the Spaghetti Dinner on May 7 and Ladies Salad Supper on May 11.

For those of you interested in learning more about boating and its rules and regulations, a 3-evening class is being offered on April 26-28. See details on page 3 of the Channel Log.

Thanks and hope to see you at the club or other events soon,
Commodore Ed

"Clubhouse Comments"
Vice Commodore – Scott Daubenmire

We are getting closer to boating season but before the fun comes the work. Stay tuned for upcoming work parties. I will be having the floors stripped and waxed the weekend of April 29th and 30th. See Fleet Captain Washko for upcoming grounds parties.

We had a membership meeting on March 17th. I would be dishonest if I said I was not disappointed at the turnout. When you join the club, you not only become members but OWNERS of the WCYC. The meetings convey current and future plans and YOUR opinion matters. Please plan on attending the ONCE PER MONTH meetings. It is only two hours out of your month. See you all soon

Thanks again.

“Around The Grounds”
Rear Commodore – Jim Washko

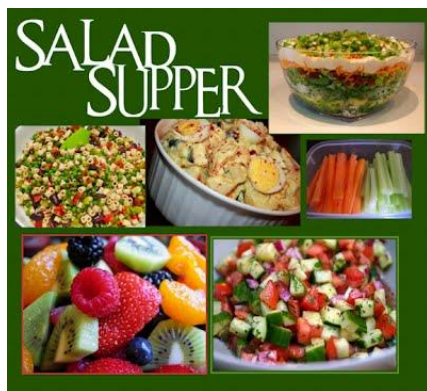

Welcome back spring and WCYC family. On April 9th, we will be having our grounds work party [weather permitting]. We will meet at 8:30 for coffee, juice and donuts. Start grounds clean-up at 9:00 to 1:00, followed by hotdogs and chips. Even if you can't commit to the 4hrs, any time would be appreciated. Also make sure you bring work gloves and gardening tools. The quicker we get done, the quicker we can enjoy our summer on the river. I am also throwing around the idea of dividing the grounds into sections and doing a sign-up sheet for cutting grass and trimming. This way, the same members are not doing it all the time. Any and all ideas are welcome. Thanks and hope to see you on April 9th.
