"Words from the Commodore"
Commodore – Ed Wohl

Warmer weather is here and some of our club's spring projects have been completed.

As we discussed at the most recent Membership meeting, our river wall support system, close to the southern end of the club, had multiple failures. With the swift actions of a group of our members, we found and repaired this problem, so at least now everyone can enjoy this upcoming boating season. This was just the first step to repair this aging support system problem with more work needed in the near future.

Many thanks go out to these individuals for their efforts to get this project done, keeping costs down and saving WCYC thousands of dollars. I also want to thank all the members and their family members who worked at our spring House/ Grounds clean-up work party. The place looks great and ready to go for our boating season.

With May approaching, we have many events happening at the club, so please plan to attending them:

- May 7 Blue Gavel Spaghetti and Wine Tasting dinner
- May 11 Ladies of the River Salad Supper
- May 28 WCYC Progressive Launch Dinner (details to be given out soon)

Again thank you for all your support,
Commodore Ed

"Clubhouse Comments"
Vice Commodore – Scott Daubemire

A big thank you to all who attended our house and grounds clean up party. Both look great. There is plenty more to do, so if you need work hours just ask me for suggestions. You can wash all tables and chairs in the house top to bottom, the trophy case can be cleaned inside and out along with the trophies. Also I am sure the ceiling fans can use a good cleaning.

Also see me if you have suggestions. We are getting closer to our season. Hope to see you all real soon.

Thanks again.

REMINDER From the Treasurer

Remember you must be paid in full and your proof of insurance provided to the club before you launch your boat. I will be handing out membership cards and river stickers at the May membership meeting for anyone that is paid in full at that time.

Contact me if you have any questions regarding the billing for the 2016 boating season. If you disagree with any invoice, please make a prompt inquiry to the Treasurer or Board of Trustees. If you have any issues with completion of work hours, please approach The Board of Trustees for discussion in advance of your required completion deadline. 50% of required work hours must be completed by last day of June and balance by last day of December.
