"Words from the Commodore"
Commodore – Ed Wohl

It's time to go boating! The docks are in and many boats are already in the water. I want to thank those of you who worked so hard to get our Club into shape and those who will keep it that way.

We had some very fun events in May and more happening in June. Special thanks go out to P/C Glenn, P/C Sam, P/C Steve and all your crew for a great job with the Blue Gavel Pasta Dinner. Also a big shout out to P/C Reva, Lynn, Tina and Kaylee, Stephanie, Sherrie K, Sally and everyone who helped with the Ladies Salad Supper; what a great job you did putting on this event and showing how WCYC puts on a party. Also thank you to Terri Frank, P/C Don and your bar tending committee for keeping the spirits flowing for both events.

This coming Memorial Day Weekend is the traditional kick-off to our boating season, so let's have a great time at the club, but most importantly let's remember to honor those people who died while serving in our country's armed forces.

With June approaching quickly, it's time to think about our next club events.

Hello my WCYC family. It is finally time. Just a reminder to sign up for house cleaning. I will be assigning members this week. I will send out a mass email as well as post the cleaning dates on our fb page. If you get to the list before I do, you can still pick your dates. I want to thank all of you who have been leaving me the list of items to buy. This is very helpful.

Although the officers are in charge of different entertainment aspects of the club, we should not be the ones doing the work. As for the house, if you walk by a full garbage can, please empty it. That goes for pool side as well. This is your club, your home away from home. Please take the time to keep it clean. Also a reminder, do not bring glass into the fenced pool area.

See you all very soon.
Thanks again.

I'd like to thank everyone who assisted with installing the wall clamps, docks, and stanchins. Also, thank you for the help with the lift. Everything should be all set. I'm looking forward to a great season!

Any questions or problems, please contact me.
Mike

Your Summer Vacation on the River

West Channel Club Cruise June 17-19, 2016

We are staying at the Geneva State Park Marina, each member should send their reservations directly to the Park, forms are posted on the WCYC website. Please get your reservations in ASAP so that the Marina can keep our group together and that you don't get shut out of the fun. This is a great weekend, we party and picnic dockside and at our boats; relax on the beach; walk or cab into town for great food, bands, bar crawls, go carts, putt putt, and more. Bring an app to share for boat-side cocktail hour.

If you're not ready to stay in your boat, there are plenty of housing options in the Geneva O-T-L area or you could even camp at the State Park and ride your bikes over to the Marina to visit with the group.

Hope to see you there! Please see Fleet Captain Mike Zivcic if you have any additional questions.
