August 2017

"Words from the Commodore"
Commodore – Glenn Linke

Hello all,

What a great Regatta. I want to thank everybody that attended. You know it's a good party when the Eastlake police shut you down. I would like to thank the following people for making the weekend a great success: PC John Krann for the wonderful food, blue gavel members for everything they did this weekend especially PC Don Connerton, my regatta committee (Emily Williams, Tina Adkins, Terri Frank), and especially my wife PC Reva. There are a lot of members that helped out this weekend--way too many to mention, but I do thank you all.

On another subject, our 5 Club Progressive, that was scheduled for August 12th, has been canceled. Unfortunately, the decision was made by Commodore Gayle from Lake County and myself to cancel the event due to lack of organization and participation from some of our sister clubs, and we'll just leave it at that. Sorry for the inconvenience this may have caused; we have plenty of partying to do with some of our upcoming events such as Clambake and Comedy night--hope to see all of you guys there.

As far as meetings for the month of August, we pushed back the trustee meeting to August 17th and also voted on a meeting for August 24th.

Both meetings are a week later than their normal schedule. A lot is going on at the club, so we want to make sure that we are set and able to give everybody an opportunity to attend the meetings.

Once again, I want to thank everyone that helped out to make Regatta weekend a very exciting and fun party. Hope everybody enjoyed themselves.

THANKS

Commodore Glenn

West Channel is happy to welcome one of our newest members, Tyrone and Bridgett, to the club. They live in Madison with their three children, Keera (13), Kayla (18) and Kenzie (18). They have two dogs, Deasil, a German Shepard and Tonka, a Boston terrier. Tyrone works at CRT as a Lab Tech/ Lead. His hobbies include boxing and cars and boating, of course. What they like best about West Channel is that it is family oriented.
