"Words from the Commodore"

Commodore – P/C John Krann

Welcome spring along with the huge task of getting our club in shape for this year's boating season! Please help our bridge officers by putting in a few hours at the scheduled work parties. Sherrie has posted flyers for the children's Easter Party taking place Saturday April 13th from 1pm to 4pm. She has also posted a save the date on upcoming events so be sure to check out facebook pages, West Channel Yacht Club along with WCYC COMMODORE'S CORNER/PHOTO'S AND FUN, to keep up to date on future functions and work parties.

We will be putting together a new roster and yearbook for 2019, so please review your information from last year and let Lynn Washko know if there are any changes to your information. I would like to take the time to welcome our newest members, Randy and Cathy Hyde.

Looking forward to the start of a safe and fun boating season!!

Hi Everyone!

There will be a house cleaning party on April 6 at 9 am. I am looking for someone to replace the screen door in the kitchen. If you are that person or know someone, please let me know.

Also, if anyone wants to rent the club house during the year, let me know.

Hope to see you at the house cleaning party. It's time to get ready for boating season!

We have a work party clean up scheduled for April 27th. 9 AM. I also will be presenting at April's meeting all final estimates for landscaping that was discussed at the March membership meeting. Please plan on attending.

Reminder: Don't throw your winter covers in the garbage hopper once you remove them from your boat. Please take it home with you and dispose of it there. I'm going out on a limb and predicting a nice dryer spring.

Looking forward to a great boating season!

Nicola Roberto

“Happenings in the Harbor”
Fleet Captain – P/C Ed Wohl

Hello All,

Spring time has arrived and before you know it, boats will be in the water. But before that happens, the Harbor projects need attention. I'm looking for members that need work hours and don't mind getting their hands a little dirty. If you're one of those kinds of people, contact me anytime and I'll let you know what needs to be done.

Thank you,
P/C Ed Wohl
