"Around The Grounds"
Rear Commodore – Terry Calkins

Hi WCYC members!

The boats are going in the water, so room is opening up on the grounds. That means there's work to be done to clean up the grounds. We will be having a work party soon, so watch your email for that information. Also, all dock boxes must be removed from the pavilion.

Reminder: please take your shrink wrap home for disposal.

Special thanks to Terry Babic for donating a riding lawn mower!!

Safe boating and have fun.

If you have any questions, please call.

Thank you

Well the docks are in, and I would like to thank everyone that helped out. I hope everyone has a great boating season and remember to leave the club better than you found it.
