**"Words from the Commodore"**  
Commodore – P/C John Krann

I would like to thank everyone that attended the Blue Gavel Pasta Dinner and The Mother's Day Brunch. It made for a fun weekend and again thanks to all those who helped.

The weather has not been the best and subsequently put us way behind in getting the boats in the water. Be sure to help John, Danny and Terry out by having your boats ready when called upon to be put in.

Anyone interested in helping out Regatta weekend please call, text or email Sherrie at (440)488-7875 or [cleveindbball@aol.com](mailto:cleveindbball@aol.com).

The new yearbooks were passed out Memorial Day weekend, and thanks to Joe Winch for all the time he put into editing and getting it ready to go to print. Thank you to Nick, Larry and Sherrie for the new ads for the book.

Sher has brought back the fishing tournament this year, and Joe Bonfiglio and Larry Davison will be running it for her and will be posting information in addition to the rules. There will be information at the club also so be sure to check facebook and emails to keep up to date on things.

Sherrie and I will be selling raffle tickets for a cash drawing to be awarded regatta weekend to help offset the cost of the band. Only 300 tickets will be sold with three cash prizes. Would appreciate help getting them sold. Looking for a volunteer to chair this raffle, if interested please contact Sher or myself.

Let's hope Mother Nature is kind to us this boating season and brings us plenty of sunshine to make up for all this rain we have endured this spring!

As far as prognosticating...my forecast was for a dry cool spring - well nobody's perfect - so my forecast for the summer is for a wet cool summer and maybe lightning will strike twice

The docks are in, and it's time to go boating. I want to give special thanks to all of you who have helped get the docks ready, helped with the Dock Pole project, repaired and installed the stanchions, and made all those special parts trips when needed. We couldn't have gotten the job done without you.

The Geneva Club Cruise, planned on June 14-16, will be here before you know it. If you're planning on going, you must send in a Geneva docking form to the State Park Marina to reserve a slip. The form can be found on top of our merchandise case in the clubhouse or you can download it from the WCYC web site home page or the Geneva State Park web site.

Let's have a fun but safe 2019 boating season,

**REMINDER From the Treasurer**  
P/C Don Connerton

Obviously, our season has gotten off to a late start thanks to the weather. Many have launched boats and more will launch in coming days. Please, before launching your boat, balances to your account must be cleared. I have handed out several Port Authority Stickers that need to be placed on your boat. If you did not get yours, please see me.

If you ever have any questions on a statement and/or balance, please call me for discussion. If you are in need of discussion regarding any alternate pay plans, you must come to the Board of Trustees proactively to have this discussion.

## Blue Gavel Report

Thanks to everyone that attended our Blue Gavel Pasta dinner. A big thank you to the cooks, the Paternite boys, for their hard work in the kitchen and to all the others in Blue Gavel for helping. Congratulations to Mel Calkins for winning the bake off contest. Even though the attendance was lower than normal, we all still had a great evening. Remember that each event we do helps support Our club, so don't miss the next one.
