"Words from the Commodore"
Commodore – Jim Washko

Hello West Channel members,

Regatta is right around the corner, so please call with reservations for members, kids, and guests. To have live entertainment at any function, we need to recoup some of the money through member & guest participation. Regatta t-shirts are available: fliers are on line and in the club house. Booze barrel needs your donations. The name of the band is Easy Glistening (A tribute to yacht rock).

The Club house A/C will be on Auto program (Thurs. thru Sun.) Please keep the doors & windows closed. If there are any problems, please contact a bridge officer to look into it.

Thanks goes out to the decorating committee for all their time and hard work they put into the club house projects. Thank you, Andy Lino & crew for your job well done. Any & all club house rentals must be preapproved by Comm. Jim Washko 216-702-7592.

There are things around the club house that need to be done yet, so if you need work hours, please contact a bridge officer.

Thanks,
Jim

As summer gets into full swing, there are many tasks that need to be done around the grounds. Look through the list on the next page and see which items you want to do. Please see me for details before tackling one of the tasks. I look forward to working with you.

Fleet Captain – Larry Davison

The harbor looks great--thank everyone for all of your help. Life is good--the fish are biting, and the beer is cold.

Remember: leave it better than you found it.

Blue Gavel Report

We had a great time at the pool party this past Saturday. The food was good, and believe it or not, the weather cooperated. Thanks to the Calkins and Davisons for putting it together.

Our next event is Regatta, and Blue Gavel will be doing the Friday night burgers, Saturday and Sunday breakfast on the deck, along with the Commodore's cocktails and luncheon. See flyer for details.

Hope to see you all there, and don't forget to bring your friends and families.
